

**Submission Call for Artists for 2019
Artist in Residency Juried Program**

Application Deadline May 24

Theme: Trees

Location: Casemates, Garrison District

The Fredericton Arts Alliance is organizing its eighteenth season of *Artists in Residence*, a series of one-week artist residencies paying artists an honorarium of \$450.

This year's theme is Trees. What do they mean to Fredericton? To you? To the world? The application form asks artists to outline their approach to the theme and indicate how they would engage the public.

All but the final residencies start on a Monday and finish the following Sunday. The last one runs to the Labour Day Monday with a \$500 honorarium. Participating artists may sell their work.

Artists are required to be on location for at least 30 hours each week, in partnership with another artist so the studio is staffed for a total of 47 hours. The space must be staffed Monday to Saturday from 10 a.m. to 5 p.m. and Sunday from noon to 5 p.m. Artists may work longer if they wish.

The residencies will be located in one of the casemates in the historic Garrison District and will be promoted by the City's tourism division and the FAA. The residencies will run from June 24 to September 2. Artists must be residents of the Fredericton region.

Priority will be given to artists who have not had previous FAA residencies. The Fredericton Arts Alliance will organize an exhibition of work completed during the residencies at the Charlotte Street Arts Centre.

Deadline: Applications must be received no later than 4 p.m. Friday, May 24, 2019

Email applications to: president@frederictonartsalliance.ca. For alternative ways of submitting applications and images, use the same email address.

An independent jury of respected artists will review all applications and select the successful candidates shortly after the deadline. Accepted artists will be notified and every effort made to schedule their participation.
