We're going to get rid of the rulers and loosen up: using measuring-free ways of cutting and piecing together traditional and modern quilt patterns, building on each one spontaneously and picking colours intuitively. You'll come away with a new way to look at quilting and problem solving. Depending on individual speed, participants will take home samples or even the beginnings of a quilt top or wall hanging. Participants should bring a selection of fabrics that work together, thread and sewing tools, a working sewing machine that they are comfortable with. If needed, arrangements can be made ahead of time for a limited number of participants to borrow a sewing machine.

Instructor: Rachel MacGillivray

Date: July 16 - 20

Location: New Brunswick College of Craft and Design

Workshop & Materials Fee: \$329

Website: <http://edventures.ca/events/intuitive-quilting>

Painting and Rug Hooking Collide!: Participants will have the opportunity to take a pattern based on Downtown Fredericton and paint the background prior to hooking the foreground.
