Auditions | Call for Artist Submissions & Awards

1. Call for Applications: Fredericton Arts Alliance Summer 2021 Artists in Residence

Theme: *Looking Inward/Looking Outward*

Deadline: Applications must be received no later than 4pm on Friday, May 21, 2021

The Fredericton Arts Alliance invites applications for our 20th Artist in Residence Summer Series. Accepted artists receive a \$450 honorarium. We seek emerging and experienced artists working in any media, including: architecture, performance, sculpture, music, dance, electronic media, literary arts, visual art, fibre arts, and fine craft. We encourage artists from diverse cultural backgrounds.

As with last year, these residencies will be largely virtual, with artists using their own social media and working with the FAA's social media platforms to showcase their work and process to a wider public. In addition, we ask each participating artist to organize a "pop-up" event as part of their residency. These could be in the form of a poetry reading in front of City Hall, an art display on the Green, a dance lesson at Carleton Park, a demonstration of techniques used during the residency, a musical performance in Odell Park, or something completely different that is appropriate to the artist and the media involved.

The pop-up could be during the week of the residency, or in days following it, with weather and COVID restrictions being limiting factors. If a residency occurred during tight COVID controls or during a week of unremitting rain, the pop-up could be arranged later when the forces affecting the virus and the skies are more amenable.

This summer our theme will be *Looking Inward/Looking Outward*. We invite artists to reflect on this theme as they work. As different artists in varied media focus their creative energies on this theme, we hope to engender discussion among the artists and members of the public, both here and afar.

The residences, one at a time, will run from June 20 to September 11, 2021. Each residency lasts for one week. Interested artists should say how they intend to approach the theme in their written application and what they plan by way of a “pop-up”. Application forms and guidelines are available on the Fredericton Arts Alliance website: www.frederictonartsalliance.ca. More information is available by email to president@frederictonartsalliance.ca. The Fredericton Arts Alliance will try to mount an exhibition of work produced over the summer at the Charlotte Street Arts Centre in the fall. Participants will be asked to designate a piece for this exhibition. [Back to top.](#)

2. Call for Submissions Now Open: Created Here Issue 17 – Creativity

Deadline: May 9, 2021

We are seeking:

- Observations of the diverse creative process. How is your process different than other artists?
- Discussions of creativity in education and exercises that awaken creativity. Can creativity be taught?
- Research-backed discussions on creativity and the brain. What is creativity and how does it affect us?
- Stories of artists and designers applying their creativity in unlikely fields and unexpected ways. What is the impact of creativity outside of the artist studio?

With thanks to the Sheila Hugh Mackay Foundation and the New Brunswick College of Craft & Design for funding our contributor fees, we offer payment of \$120-\$250 depending on contribution size. We are open to any and all ideas that creatively fit this theme within the scope of visual art, craft, or design in New Brunswick. Only complete submissions will be considered. Please visit <https://www.createdhere.ca/submit> for the submission checklist and full details on how we select featured artists. Issue 17 will launch in September 2021. [Back to top.](#)

5. Temporary Public Art Call: Phoenix Square

Submission Deadline: Tuesday, May 25, 2021 at 8:30am

The City of Fredericton invites proposals from professional artists to install a temporary public art piece at Phoenix Square, the public space in front of Fredericton City Hall. The installation, on display from July to mid-fall 2021, is meant to contribute to a welcoming and vibrant space for the community and visitors to enjoy throughout the summer and fall.

All of Phoenix Square can be considered for the public art display. However, the art must not impede pedestrian access or use of the space, nor pose any safety hazard. This is part of the of the Fredericton Al Fresco partnership between the City, Downtown Fredericton, and Business Fredericton North.

Although the public art will be ephemeral, designs should be well constructed, vandal-resistant, and able to withstand summer and fall weather. Artists are to submit the following:

- A resume and biography indicating education and body of work;
