## 1. Fredericton Arts Alliance Summer Residencies present Xiuting Shi from Jul. 4-10

Xiuting Shi is a Fredericton-based artist. Recently awarded the Fred Ross Scholarship by the Sheila Hugh Mackay Foundation, she will be studying Architecture at the University of Waterloo starting next year. Her main medium is painting, and her practice also includes drawing and sculpture. Her work touches upon human anatomy and abstract forms. Shi will create a 4x9-foot painting on tri-fold plywood for her residency with the Fredericton Arts Alliance.

During this week, Shi will spend time working on the painting, and will present the finished piece on the Green later in July. It will be installed next to the Beaverbrook Art Gallery, and Shi will be available on-site to discuss her work. Shi will be sharing her process with the public via her own Instagram account as well as the Fredericton Arts Alliance's social media pages.

Shi's art Instagram can be found at <https://www.instagram.com/xixut/>. The Fredericton Arts Alliance social media links are: [www.frederictonartsalliance.ca](http://www.frederictonartsalliance.ca), <https://www.facebook.com/fredericton.arts.alliance>, <https://www.instagram.com/fredartsalliance/>, and <https://twitter.com/frederictonarts>. The Fredericton Arts Alliance gratefully acknowledges support from the City of Fredericton and Downtown Fredericton for this project. For more than 70 years, the Fredericton Society of Artists has held spring and fall exhibitions and this year is no exception. ## 3. City of Fredericton Summer Artist in Residence: Brittany Schuler & Fibre Arts Network from Jun. 28 – Jul. 9

From June 28 to July 9, find Brittany Schuler at Killarney Lake Park and artists from the Fibre Arts Network in the Fredericton Botanic Garden at Odell Park. Visitors can see artists in person while abiding by public health guidelines. For more information, visit: <https://www.fredericton.ca/en/community/art-culture/summer-artist-in-residence-program-2021>.

As a contemporary visual artist and arts educator, **Brittany Schuler's** work rediscovers landscape through interacting light and shadow. Brittany has an admiration of untouched nature, the diversity of old-growth forests and the archetypal symbolism of trees. During the residency, Brittany will document trees through photography, painting studies, ink sketches, and lead online workshops which are open to all.

The **Fibre Arts Network (FAN)** has been a collective of fibre artists for more than 40 years, showcasing and fostering great diversity through quilting, felting, spinning, and more. This year, seven members of the FAN will be in residence: Donna Mulholland, Karen Leblanc, Caroline Simpson, Tracey O'Brien, Jacqueline Bourque, Renata Britetz, and Darcy Hunter. Each artist will spend a few days at the park and will have an interactive presence on social media through daily updates, artist talks, online demonstrations, lessons, or interviews. #### 6. CHIPS at Grimross Brewing Co. on Jul. 3 at 8pm

CHIPS deliver honest, in-your-face punk rock that recalls the emotional hooks of Taking Back Sunday, the experimentation and honesty of Thrice, and the jovial camaraderie of Blink 182. The band released their debut EP, *Dingers*, in 2016. Now, following the release of the single "Mystery Love" in 2020, the band is gearing up to record a new EP this year, and bring their anthemic and saccharine sing-alongs to crowds, one howling chorus of heartache at a time.

Tickets are on sale now at <https://etixnow.com/.../jul-3-2021/grimross-brewing-co>. [Back to top.](#)
